IMPACT FIRE AND SAFETY SERVICES TEAM

The team is quality assured by the Managing Director, Claude Smith, who is a seasoned Health and Safety Practitioners, and comes with a wealth of knowledge in the industry across a spectrum of services, trends and demands.

Claude is a registered assessor and moderator with ETDP SETA SOR 154756 and a NOSA SAMTRAC Trainer.

His expertise also covers environmental safety practices, monitoring and evaluation of safety programs, legislative requirements and the management and implementation of OHS programs on a national scale.

The design and implementation of sector safety files were one of his passions, and covered the following areas:

-  Oil and Gas
-  Liquid Waste Removal
-  Hazardous Waste Removal
-  Shipping
-  Manufacturing
-  Sewer Systems
-  Storm Water Systems
